Film by Alumna Nili Portugali selected for screening at the Lund International Architecture Film Festival

Alumna and architect Nili Portugali's (AA Dip 1973) film has been officially selected for screening at the Lund International Architecture Film Festival in Sweden. "And the alley she whitewashed in light blue" will be screened at the Museum Kulturen in Lund on Sunday October 14 at 11.15am.

The film takes you on a deeply intimate journey into the Kabbala holy city of Tsefat, Isreal, and explores the questions - what is the secret of all timeless places in which people feel 'at home' and what is the 'pure art of making' that creates them?

To find out more visit Nili Portugali's website.
